BOY SCOUTS OF AMERICA

On behalf of all the scouts that have decided to join the Troop/Pack #259, we want to say Thank-You to the Elders and congregation for starting our Charter Organization.

The Boy Scouts of America is one the nation's largest and most prominent value-based youth development organizations. The BSA provides a program for young people to build character, trains them in the responsibilities of participating citizenship, and develops personal fitness.

For a century (this month), the BSA has helped build strong future leaders of our country, communities, churches, and families. This extension of the United Way combines educational activities and lifelong values with fun. We also believe and know that helping youth is the key to building a more conscientious, responsible, and productive society.

Realizing this and seeing an opportunity for the church here at Lake Harbour to implement another outreach program, four men have volunteered to take the leadership roles of the troop: Roderick Jones-Scout Master, Ron Morgan-Assistant Scout Master, Freddie Williams-Cub Master, and Art Johnson-Den Leader.

We began meeting on February 4 and will continue to meet once a month. We welcome young men in the community to come and be a part of our organization.
