### HEAVEN HELP THE HOME!

During the month of June, I want us to share four Bible centered sermons on Sunday morning dealing with the home and how we can help them be healthier, happier and more harmonious. Most Americans don't have a clue about how to build a firm foundation for their families God's way based on the Bible. Children today are most familiar with Hollywood's style of homemaking as seen on TV and in the movies. This is being played out in their broken homes where they live everyday, and it isn't any fun. American families are dysfunctional, fractured, failing and falling apart. It's been a while since I have focused on the family as we have worshipped with the Word, but nothing is more practical and relevant to New Testament Christianity and Biblical preaching. Faith begins at home and we must fight the good fight of faith in this arena. Satan's plan is to defeat our families and he hopes to empty our homes into hell! But God wants mom, dad and the kids headed toward heaven and to enjoy a little heaven here and now in our homes! I hope you will join me for each lesson in this short series which are as follows:

**June 6—Healthy Choices for Our Homes (Joshua 24:14-15)**

**June 13—Loving Discipline That Leads to Discipleship (Hebrews 12:5-11)**

**June 20—Even Good Parenting Can Go Bad (1 Sam 13 & 14)**

**June 27—Factors That Cause Family Failure (Matthew 19:3-6)**

### ***WONDERFUL WEDNESDAYS UNDER WAY***

Last Wednesday Dustin Abbott kicked off our summer Wednesday night series "Habits of a Loving Heart" in a fantastic way. I'm grateful to about 13 of our elders, deacons and other men who will be leading us in several studies surrounding this theme. Brother Willard Tate, who passed from this earthly scene not long ago, wrote a book by the above title and most of the lessons are taken from it. There is no greater Scriptural subject than love or greater need in the church than for every Christian to learn to love. So plan now to get involved with our Wednesday night Bible study program and learn better how to get into the "loving way of life." I'm also thankful for the unselfishness of our many other dedicated and evangelistic Wednesday evening teachers who are always prompt and prepared to share God's word with our children. Each week we have seen our attendance increasing and those of us who are presently taking the time to participate are growing spiritually and enjoying one another's fellowship. The devotional time is uplifting and gives us a "peak in the week" so we can make it to the next Sunday. Why not get into the "winning Wednesday way" and join us this coming week.

**Wonderful Wednesday speaker for June 9 is L.C. Reese—"Hold No Grudges."**
